Required Score: 100%

Task Summary

- ✖ Set the junk email filter to Exclusive
- ✖ Set to Report junk messages
- ✖ Block attachments from unknown senders

Explanation

In this lab, your task is to configure email filtering as follows:

- Only allow emails from the safe senders list.
- Report junk email messages to your email provider.
- Only allow attachments from the safe senders list.

Complete this lab as follows:

1. In the upper right corner, select **Options > More Options**.
2. Under Preventing junk email, select **Filters and Reporting**.
3. Under Choose a junk email filter, select **Exclusive**.
4. Under Report junk messages, select **Report junk**.
5. Under Block content from unknown senders, select **Block attachments, pictures, and links for anyone not in my safe senders list**.
6. Click **Save**.
