Task Summary

Actions you were required to perform:

✔ Add the shared HP printer to the list of available printers

Explanation

In this lab, your task is to add the shared HP Photosmart Plus printer to the list of available printers with the default settings.

Complete this lab as follows:

1. Select **Start**.
2. Select **Settings**.
3. Select **Devices**.
4. Maximize the window for easier viewing.
5. From the left menu, select **Printers & scanners**.
6. Select **Add a printer or scanner**.
7. Select **HPPhotosmart on Support**.
8. Select **Add device**.
